Mobilization & Extended Service Area

Fountain City Land Services serves the Kansas City metro and surrounding rural communities. Regional work up to 50 miles outside the KC metro may be available for larger projects or when mobilization makes sense.

Distance from Spring Hill, KS	Mobilization
0–25 miles	Included
25–40 miles	\$145
40–60 miles	\$235
60+ miles / regional work	Quoted based on distance, project size, equipment needs, and schedule

Mobilization may be waived or rolled into larger quoted projects.

Surcharges

Surcharge	Amount
Same-week rush (within 7 days)	+15%
48-hour emergency	+25%
Saturday	+20%
Sunday / holiday	+35%
After-hours (after 6 PM)	+20%

Surcharges may apply for rush, emergency, weekend, holiday, or after-hours work. Surcharges are confirmed in the written estimate before work begins.

How We Quote

- **Free quotes**, usually within 24 hours of request
- Walk-throughs scheduled the same week when possible
- Written estimates valid for 30 days
- 25% deposit reserves your spot on jobs over \$1,500
- **Material deposits may be required before gravel, rental attachments, disposal, or subcontractors are scheduled**
- Payment in full on completion — card, ACH, check, or cash
- Net-15 invoicing available for repeat customers
